

La Fora (Spanish Edition)

Esta obra tuvo su primera edición en 1933; en ella se da a conocer la acción heroica y persistente de la Federación Obrera Regional Argentina (F.O.R.A.), desde su origen hasta sus bases estructurales e ideológicas. El autor, nacido en España, emigró a la Argentina con su familia; adolescente, volvió a Europa, donde se inició su acercamiento a los ideales anarquistas, que habría de defender luego a su regreso a la Argentina; participó en la creación de la F.O.R.A., donde militó hasta su regreso a España en 1934. Este libro es un importante testimonio de la lucha obrera, desde la visión de uno de sus protagonistas.
