

## Materials for German Prose Composition, Vol. 2: With Notes and Vocabulary; Narrative and Descriptive (Classic Reprint)

Excerpt from Materials for German Prose Composition, Vol. 2: With Notes and Vocabulary; Narrative and Descriptive In selecting the material it has been the editors aim, first, to secure variety of style and vocabulary; secondly, to eliminate such difficulties as would retard unnecessarily the progress of the student. A beginner in composition ought to translate a large amount of easy English rather than spend much time over a few difficult passages. The effort has been made to arrange the selections in the order of difficulty. It is believed they afford sufficient material for two successive years.
