

This Test (The Dawn of the Ages Book 2)

What all appears from this test, happens apparently, that unto life sees, in us, one real Americans tradition, where there is happiness and prosperity, from the shores, of our Founding Fathers. Americans of this test, is about living, for, the life. Whatever, is about the game, is for me. This related American, and test, is, from what also hears, noises for Americans, who are the ears in this test, and, those in which of what are interested, in lifes challenges, inside what ones can, really pass: the tests. These tests, became designed, with noises and listening, in mind. All of this, includes the well fortunate, of people, of the life, in all of, from ours, in whatever is mine, that is throughout; Jesus Christ. We, have everyone discovered, all of theirs in life, from ours, and in when we discover, we see it well planned. This means, our whole existence, is undermined by society. This is also, into the world. This becomes until we pass the test. This is, about, a test. The test is; to like everything. Then one can become a, kings person. Thanks- Riley Miller
