

## Power of Encouragement

Although most of us have not received a minutes training in medicine, we do have the ability to tap into the greatest power of healing known to mankind: the power of encouragement. What does love look like? asked Augustine of Hippo sixteen centuries ago. It has feet to hasten to the poor and needy. It has eyes to see misery and want. It has ears to hear the sighs and sorrows of men In this immensely readable and practical book, popular pastor, author, and radio minister Dr. David Jeremiah examines the heart of encouragement-self-giving, genuine love-and shows how we can eagerly use our hands, feet, eyes, and ears to love and encourage those around us.
