

THE TRASHING OF AMERICA; How Marxist Thugs HIjacked our Nation: How Marxist Thugs Hijacked Our Nation

I will be writing as An Old Vietnam Vet, and will accept no money from the sale of this Book. The Book validates the concept that America is under Gods Judgment and will not be blessed until we, as a Nation, repent of our many sins. In 1996 while Mother Teresa was visiting America a reporter asked her to identify the poorest country she had ever visited. Without hesitation she said, This one. The author agrees with Mother Teresa. Until we stop murdering 1.3 million babies through abortion God is not going to bless America.
